The character of Portfolium is one of independence and quality underpinned by our ethos of create, curate and care.

CREATE

Establishing a long lasting relationship built on trust by offering transparent and personalised solutions.

CURATE

Applying our expertise to assist you in achieving your personal goals given your present lifestage.

CARE

Empowering you to achieve financial independence by having a genuine interest in your financial wellbeing and the people you care about.

Our Clients

Founded in 2017, Portfolium was established in alignment with default regulations that came into effect on 1 March 2019. The revised regulations aim to protect retirement fund members from poor financial advice, decisions and exorbitant fees, while ensuring a better retirement outcome.
